IT'S TIME TO DISCOVER

QWEEZY

OUR SIMPLE AND PRACTICAL
SOLUTION TO SAY GOODBYE TO
USELESS WASTE VOLUME!

Guaranteed volume reduction of **-70** to **-85%**

Compatible with **all sizes** of cans and PET bottles up to **1.5L**

A **50 L** trash bag can hold **17** empty 1.5L bottles,
but up to **47** "sqweezed" bottles

Product tested and **approved** by over **1 million households** since 2019

Designed for **everyone, especially children**:
A **simple foot pressure** is all it takes, entirely **safe** and **secure** system

Free-standing floor design, **ultra-stable**:

Discreet, lightweight, **portable** and handy; no fixing nor electricity

Environmental benefits: On a large scale,
Sqweezy allows **substantial savings** in waste collection and treatment

100% **recyclable**, plastic parts made from **100% recycled premium ABS**

Truly **eco-friendly**: Sqweezy comes **flat-packed**
with all assembly tools included, ready to put together in **5 minutes**
